Royal International Primary and Secondary School, Mogadishu

Bachelor of Information Technology — **Sep 2019 - Sep 2022**
Daha International University, Mogadishu

MSc Cyber Security — **Aug 2023 - Aug 2025**
National Forensic Sciences University, Ponda, Goa India

Employment

Mobile Technician Repair — **Sep 2013 - May 2018**
TechFix Solutions, Mogadishu
Performed diagnostics, repairs, and maintenance on a wide range of mobile devices including smartphones and tablets. Responsible for hardware replacements (screens, batteries, motherboards), software troubleshooting, and customer service. Maintained detailed repair logs and collaborated with suppliers for parts procurement. Successfully reduced device turnaround time by 30% through improved workflow efficiency.

Web Developer — **Mar 2018 - Aug 2020**
Digital Horizons Tech, Mogadishu
Developed and maintained responsive websites and web applications using HTML, CSS, JavaScript, and PHP. Collaborated with cross-functional teams to design user-friendly interfaces and implement backend logic. Managed website performance optimization, SEO integration, and regular updates. Led the migration of legacy systems to modern web platforms, enhancing user engagement and reducing load time by over 40%.

Jan 2019 - Present
Midnimo Web Design, Mogadishu
* Cooperate with designers to create clean interfaces and simple, intuitive interactions and experiences. * Complete detailed programming and development tasks for front end public and internal websites as well as challenging back-end server code.
